**Subject: Quality Assurance Program Acceptance**

Dear Mr. Hunt:

An assessment of your quality assurance program implementation indicates that it is acceptable to Bruce Power L.P.

Quality Program:	CSA Z299.2-1985 CSA Standard N285.0 ISO 9001:2008
Quality Program Manual:	as audited by CANPAC Audit # 16-031, performed July 11-13, 2016 to the requirements of CSA Z299.2-1985
Facility/Division:	Oakville, ON
For the scope of:	The manufacture, inspection, testing and distribution of pressure piping materials, vessels, components, equipment and systems.

This acceptance is valid until 24-Apr-2018 based on the expiration of your TSSA certificates.

It is your organization's responsibility to ensure that this quality program is maintained. Your program is subject to periodic audit by Bruce Power LP or our agents. Acceptance of this program may be withdrawn if surveillance or performance audits reveal that your practices deviate from quality program requirements.

Please inform me of any significant changes to management, company policy, quality manual or program, quality representative, staff levels, or other corporate developments which impact on your quality program.

This acceptance is not intended to imply that Bruce Power LP in any way guarantees, endorses or warrants the quality of your products for any purpose or to any customer.

Yours truly,

Tom Cannon  
Contracts Engineer
