Dear Mr. Hunt:

Thank you for your quick response in sending your renewal ISO 9001:2000 Certificate of Registration. Bruce Power L.P. has accepted your quality assurance program implementation based on this new certificate as well as previous audits as indicated below:

Quality Program:	CSA Z299.2-85 ISO 9001:2000 CSA N285.0
Quality Program Manual:	as audited by CANPAC Audit # 6-093 on Mar. 12-14, 2007 to the requirements of CSA Z299.2-85, AQSR International to the requirements of ISO 9001:2000 and TSSA to the requirements of CSA N285.0
Facility/Division:	Burlington, ON
For the scope of:	Manufacture and supply of safety related nuclear pressure boundary and non-pressure boundary vessels, components, equipment and systems and piping material.

This acceptance is valid until 14-Mar-2010.

It is your organization's responsibility to ensure that this quality program is maintained. Your program is subject to periodic audit by Bruce Power LP or our agents. Acceptance of this program may be withdrawn if surveillance or performance audits reveal that your practices deviate from quality program requirements.

Please inform me of any significant changes to management, company policy, quality manual or program, quality representative, staff levels, or other corporate developments which impact on your quality program.

This acceptance is not intended to imply that Bruce Power LP in any way guarantees, endorses or warrants the quality of your products for any purpose or to any customer.

Yours truly,
